My Paper Title

This paragraph is the introduction to my paper. When I use information from a source in this paper, I will cite the source properly with author last name and the year of publication (Sample, 2019). If I quote a source directly in this paper, I will also include a page number (Sample, 2019, p. 98). If I cannot locate a page number, I will use a paragraph number (Example, 2020, para. 5). At the end of my paper, I will include a References page with the full citation information for each source I have used in this paper. For more information, consult the Surry Community College Library APA webpage at <https://library.surry.edu/apa>.
